There is no charge to add these details but there may be more to pay if additional features, services or upgrades are required.

Any services not listed above will need to be paid for at the time they are added or at claim.

If the covered individual moves and a different funeral director carries out the plan, there may be more to pay.

There may be more to pay if you later choose a different funeral director.

Where you have made a contribution towards certain costs, there may be more to pay. These costs are outside of our control. Your funeral director will advise your personal representative of this at the time of the claim.
